On October 6, 1989, the Commission Staff filed a Request for Production of Documents from Piedmont Natural Gas Company (Piedmont). The Commission Staff requested that it be allowed to review all contracts between Piedmont and any suppliers or producers of natural gas without having to sign a confidentiality agreement. Piedmont responded on October 24, 1989, stating that these documents were confidential and Piedmont would like for the Commission Staff to sign a confidentiality agreement before reviewing those contracts.

The Commission would like to hear oral arguments from both parties before it rules on this issue. Therefore, oral arguments are set for January 18, 1990, at 2:30 p.m. at the Offices of the Commission.
